23. RISK STATEMENT

1. Rule 3 of the Racing Rules of Sailing states: “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone”.
- 23.2 Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk including strong winds, rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance and fatigue etc. Inherent in the sport of sailing is the risk of permanent catastrophic injury or death by drowning, trauma, hypothermia or other causes. By taking part in the event, each competitor agrees and acknowledges that:
 - a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions and omissions;
 - d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
 - e) The provision of a race management team, and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
 - f) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event;
 - g) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
3. The fact that the race committee conducts inspections of a boat does not reduce the responsibilities of each competitor set out in this notice of race.

24. INSURANCE

Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of £3,000,000 per incident or the equivalent. Competitors will be required to sign a declaration to this effect at registration.
