

Sigma 33 Offshore One-Design Class Championship 20th to 23rd June 2024 Royal Cornwall Yacht Club, Falmouth

The organising committee have put together the following information to help you make the necessary arrangements for an enjoyable stay in Falmouth.

Our base for the Class Championship will be the Falmouth Haven.

Royal Cornwall Yacht Club

The Royal Cornwall Yacht Club (RCYC) was formed in 1871, the RCYC is situated in the idyllic waterfront setting of the Greenbank area in Falmouth. Falmouth has long been a venue for major regattas, and the Club has been instrumental in organising major sailing events since before the Second World War. RCYC also held our Class Championships back in 2001.

Moorings in Falmouth

Arrangements have been made for boats to moor at Falmouth Haven Marina. A 15% discount is being offered for mooring for three nights. It is likely that boats will be rafted on the visitor's pontoon and there will be access to the toilet and shower facilities. Please make mooring arrangements direct with Falmouth Yacht Haven: [Leisure marina, moorings, boat park and public slipway | Falmouth Haven : Falmouth Haven](#)

Before and after the Event

Yachts arriving before 20th June, or staying after the 23rd June, can look to save costs by requesting to be moored on a swinging mooring.

Storage of cruising equipment

Arrangements have been made with the Falmouth Pilot Gig Club for storing non-racing equipment in a secure store beneath the Windjammer Café and Bar at the Falmouth Watersports Centre, Grove Place, Falmouth, TR11 4AU. A launch will be available on request to transport items from the marina to the FWC

Accommodation in Falmouth

Falmouth and the surrounding area is a holiday area and the organisers recommend that the booking of accommodation sooner rather than later. We list below various websites which crews might find useful to assist them with finding accommodation.
