

Dear Leo,

It was very nice to meet you Leo and thank you for your warm hospitality.

We all enjoyed a thoroughly wonderful evening at the Royal Cornwall Yacht Club and thank you for making our CIE biennial dinner very special. The dining table was beautifully laid out and we were all very impressed with the service and the meal - our compliments to the chef.

with best regards,

Dear Sir,

I recently attended the racing in the Richard Mille Cup hosted by the RCYC.

I and my crew would like to say a big thank you for the hospitality shown to us on Cynthia by you and your members, during our stay in Falmouth.

The boat was built by Jacketts, only a stone's throw from your club. She and her crew enjoyed coming home.

Yours faithfully

Dear Julie

On behalf of the Chew Valley Wayfarer dinghy sailors who visited your club last week I would like to thank you, your staff and members for making us most welcome. Thank you.

Though the weather could have been better we had an enjoyable week and look forward to coming again next year if possible. Still to be confirmed July 5 - 12 is a possibility.

Kind regards

John Balcombe

Dear Richard

Just a short note on behalf of the Sigma Class Association to thank you and the Club for your hospitality along with the excellent race management team out on the water during our recent Championship. Additionally, I would like to thank you for allowing me to work at the Club during the day and for the parking space.

The competitors were all very happy with the decisions made by the Race Officer, Neil Andrew and his team who gave the competitors great fair racing across the full spectrum of weather conditions which were challenging from both sides of the equation. Falmouth Harbour is a tremendous venue and we hope that we will be able to return to the Club in the near future.

With many thanks once again.

Yours sincerely
